OUR STORY

THERE REALLY IS A SHANE?

Shane Thompson built his business around hard work, family and out-of-this world food. He always gives people more than they pay for and treats everybody like family. Family comes first, but darn good BBQ is a close second. So much that in 2002, Shane quit his neck-tie-wearing corporate job, dusted off his grandfather's secret recipe and along with the support of his wife Stacey, made his dream come true and opened his first restaurant in a little shack in McDonough, GA.

Shane's Rib Shack is a product of time spent with Shane's grandfather, Big Dad. "Do what you love, and do it better than anyone else," was Big Dad's advice. And it was true of BBQ too. Shane and Big Dad spent countless hours creating, refining and perfecting the tastes they loved.
